RECOMMENDED CASH ACQUISITION

of

TIME FINANCE PLC

by

BENTLEY PARK (UK) LIMITED

(the parent company of Ultimate Finance Group Limited)

to be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006

Summary

- The boards of directors of Time Finance plc ("**Time Finance**") and Bentley Park (UK) Limited ("**Bentley Park**") are pleased to announce that they have reached agreement on the terms of a recommended cash offer, to be made by Bentley Park (the parent company of Ultimate Finance), to acquire the entire issued and to be issued ordinary share capital of Time Finance.
- Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix 1 to this announcement and to the full terms and conditions that will be set out in the Scheme Document, each Scheme Shareholder at the Scheme Record Time will be entitled to receive:

for each Time Finance Share: 59.1 pence in cash (the "Offer Price")
- The Offer Price values the entire issued, and to be issued, ordinary share capital of Time Finance at approximately £55.13 million on a fully diluted basis.
- The Offer Price represents:
 - a premium of approximately 12.6 per cent. to the Closing Price of 52.50 pence per Time Finance Share on 14 August 2026 (being the Latest Practicable Date);
 - a premium of approximately 23.5 per cent. to the volume weighted average price of 47.84 pence per Time Finance Share for the three-month period ended on 14 August 2026; and

- a premium of approximately 27.5 per cent. to the volume weighted average price of 46.34 pence per Time Finance Share for the six-month period ended on 14 August 2026.
- If, on or after the date of this announcement and prior to the Acquisition becoming Effective, any dividend and/or other distribution and/or other return of capital or value is announced, declared, made or paid or becomes payable by Time Finance in respect of the Time Finance Shares (in each case with a record date prior to the Effective Date), Bentley Park reserves the right to reduce the Offer Price payable in respect of each Time Finance Share by an amount equal to the amount of such dividend, distribution and/or return of capital or value. If Bentley Park exercises this right to reduce the consideration, any reference in this announcement to the Offer Price will automatically be deemed to be a reference to the consideration as so reduced. In such circumstances, Time Finance Shareholders would be entitled to receive and retain any such dividend, distribution and/or return of capital or value. Any reduction in the Offer Price pursuant to this paragraph shall not be regarded as constituting any revision or variation of the terms of the Acquisition or the Scheme.
- As set out below, Bentley Park has received indications of support for the Acquisition in the form of irrevocable undertakings from Time Finance Shareholders, including the Time Finance Directors, in respect of 43,821,878 Time Finance Shares representing, in aggregate, approximately 47.36 per cent. of Time Finance's issued ordinary share capital as at the Latest Practicable Date. These irrevocable undertakings would also extend to any Time Finance Shares that are acquired by the relevant Time Finance Shareholders on or following the date of this announcement, including as a result of the vesting of awards and the exercise of options under the Time Finance Share Plan.
- It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement between Time Finance and the Scheme Shareholders under Part 26 of the Companies Act.

Background to and reasons for the Acquisition

- Bentley Park is the parent company of Ultimate Finance, a specialist asset-based lender. Bentley Park's interest in the Acquisition is driven by the opportunity to create a further scaled, multi-product UK SME lending platform combining two businesses with complementary capabilities and geographic footprints.
- Bentley Park believes that the combined Ultimate Finance and Time Finance business would be well-positioned as a significant independent alternative lender with a combined net loan book size of nearly £650 million (based on the companies' respective unaudited loan books as at 30 June 2026). Bentley Park believes the Combined Group would have the scale, product breadth and funding infrastructure to serve UK SMEs across a full spectrum of their working capital and asset investment needs. The Ultimate Finance Group also supports property investors through its bridging finance proposition, which will continue to be available within the Combined Group.
- Revenue and expected economies of scale, incremental cross-sell opportunity across the combined client and introducer network, greater market share and presence, and larger and diversified distribution channels further underpin Bentley Park's commercial rationale for the transaction.
- While M&A has never been Bentley Park's primary strategy for the Ultimate Finance Group, and the Ultimate Finance Group continues to see strong organic growth opportunities, the Acquisition is expected to materially accelerate loan book growth, profitability and market presence for the Ultimate Finance Group. Bentley Park believes that Time Finance's existing operating leverage, strong funding capacity and revenue will further support the Combined Group's financial strength.
- Bentley Park also believes that the Acquisition creates the possibility for further reinvestment in growth, service and product development. Bentley Park believes that the acquisition of a strong and profitable business with good book performance, recognising the progress Time Finance has made over recent years, is an attractive opportunity to further accelerate progress towards the Ultimate Finance Group's ambitious growth aspirations for both loan book and profitability.
- Bentley Park recognises the strength of Time Finance as a well-established and successful specialist lender with a strong track record, experienced teams and valuable client and introducer relationships. As

noted above, Time Finance has made clear progress in recent years, and Bentley Park sees particular value in the quality of the business it has built and its investment in employee development. Bentley Park sees value not only in Time Finance's financial performance and market position, but also in the capability, relationships and specialist knowledge of its teams. The skills of Time Finance's employees are expected to strengthen the Combined Group's ability to serve clients and introducers well over the long term.

Recommendation

- **The Time Finance Directors, who have been so advised by Cavendish as to the financial terms of the Acquisition, unanimously consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Time Finance Directors, Cavendish has taken into account the commercial assessments of the Time Finance Directors. Cavendish is providing independent financial advice to the Time Finance Directors for the purposes of Rule 3 of the Code.**
- **Accordingly, the Time Finance Directors intend to recommend unanimously that Scheme Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and Time Finance Shareholders vote (or procure votes) in favour of the Resolutions at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, that Time Finance Shareholders accept or procure acceptance of the Takeover Offer), as they have irrevocably undertaken to do in respect of their own beneficial holdings of, in aggregate, 2,190,838 Time Finance Shares representing approximately 2.36 per cent. of the issued ordinary share capital of Time Finance as at the Latest Practicable Date.**

Background to and reasons for the Time Finance Directors' recommendation of the Acquisition

- Time Finance is a non-bank alternative finance company providing UK businesses with flexible funding facilities in the shape of asset finance, invoice finance, business loans and asset-based lending. The Company has a demonstrable track record of delivering organic growth in its lending book for 20 consecutive quarters to 31 May 2026. The Time Finance Directors therefore remain confident in Time Finance's ability to succeed as an independent business.
- Notwithstanding this recent record of performance and the strength of the Time Finance business, the Time Finance Board believes that the Acquisition presents a compelling route to fully realise the Company's long-term strategic and operational potential in the most efficient way possible, providing additional flexibility with which to execute growth initiatives outside the constraints of the public markets.
- The Time Finance Board believes that Ultimate Finance is a strong strategic partner to support the next stage of the Company's development. Bringing the two businesses together creates a broader platform, greater scale and additional resources that can not only support future growth, but also materially accelerate it, while continuing to focus on customers and introducers.
- The Time Finance Board's decision was additionally influenced by Ultimate Finance's existing knowledge and understanding of Time Finance, including the importance of Time Finance's strong customer relationships and introducer network built up over many years, the expertise that exists across the entire business and the cultural values that underpin the success of Time Finance.
- In addition, the Offer Price from Bentley Park, Ultimate Finance's parent company, of 59.1 pence per Time Finance Share in cash will present an opportunity for Time Finance Shareholders to accelerate the crystallisation of certain value from their investment at an attractive premium to the volume weighted average price of 46.34 pence per Time Finance Share for the six-month period ended on the Latest Practicable Date, de-risks the return of value and provides full liquidity of their investment in Time Finance.

Irrevocable undertakings

- Bentley Park has received irrevocable undertakings in respect of 43,821,878 Time Finance Shares representing, in aggregate, approximately 47.36 per cent. of Time Finance's issued ordinary share capital as at the Latest Practicable Date. These irrevocable undertakings would also extend to any Time Finance Shares that are acquired by the relevant Time Finance Shareholders on or following the date of this announcement.
- These include irrevocable undertakings received from each of the Time Finance Directors as well as Arena Investors, L.P., GPIM Limited and Mr. Ron Russell to vote (or procure votes): (i) in favour of the Scheme at the Court Meeting; and (ii) in favour of the Resolutions at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of their entire beneficial holdings of Time Finance Shares.
- The irrevocable undertakings from the Time Finance Directors relate to, in aggregate, 2,190,838 Time Finance Shares, representing approximately 2.36 per cent. of Time Finance's issued ordinary share capital as at the Latest Practicable Date. - Further details of these irrevocable undertakings (including the circumstances in which they may lapse) are set out in Appendix 4 to this announcement.

Conditions and timetable

- It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement between Time Finance and the Scheme Shareholders under Part 26 of the Companies Act. However, Bentley Park reserves the right to elect (with the consent of the Panel and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer.

- The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions that will be set out in the Scheme Document. The Conditions include, among other things: (i) the approval of Scheme Shareholders at the Court Meeting and the passing of the Resolutions at the General Meeting; (ii) the sanction of the Scheme by the Court and a copy of the Court Order being delivered to the Registrar of Companies; and (iii) the Scheme becoming Effective by no later than 11.59 p.m. on the Long Stop Date. The Conditions also include the receipt of FCA approval of the change in control of certain regulated entities within the Time Finance Group (or the FCA otherwise being regarded under FSMA as having approved the same), as further described in this announcement.
- The Scheme will be put to Scheme Shareholders at the Court Meeting and the Resolutions in connection with the Acquisition will be put to Time Finance Shareholders at the General Meeting.
- In order to become Effective, the Scheme must be approved by a majority in number of Scheme Shareholders representing not less than 75 per cent. in value of the Scheme Shares held by the Scheme Shareholders, in each case present, entitled to vote and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting which may be required by the Court or at any adjournment of such meeting.
- In addition, the Resolutions must be passed by the requisite majority or majorities at the General Meeting (expected to be held immediately after the Court Meeting).
- Following the Court Meeting, the Scheme must also be sanctioned by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies, upon which the Scheme will become Effective. The Scheme must become Effective by no later than 11.59 p.m. on the Long Stop Date.
- It is expected that the Scheme Document, containing full details of the Scheme and notices of the Court Meeting and General Meeting, together with the Forms of Proxy, will be sent to Time Finance Shareholders (among others) within 28 days of this announcement (or such later time as Time Finance, Bentley Park and the Panel may agree). An expected timetable of principal events relating to the Acquisition will be provided in the Scheme Document.
- Subject to (i) the satisfaction or, where applicable, waiver of the Conditions, and (ii) the further terms set out in Appendix 1 to this announcement (and to be set out in full in the Scheme Document), it is expected that the Scheme will become Effective in the fourth quarter of 2026.

Commenting on the Acquisition, Ed Rimmer, Chief Executive Officer of Time Finance, said:

"The Time Finance Board has spent a great deal of time considering the offer from Ultimate Finance. Over the course of our discussions with the Ultimate Finance team, it became clear very early on that they genuinely respect what the Time Finance teams have built and that we share a lot of mutual ambitions for the continued growth of the business going forward. The Time Finance Board believes there is a strong strategic fit between the two businesses, the combination of which will create a broader platform, introduce the benefits of additional scale and provide additional resources that can support future growth, without losing the focus on customers and introducers that have made our business great in the first place. The success of Time Finance to date has been built on the quality of its people; the experience and expertise of our colleagues, the relationships and service provided to our clients and customers and the support of our valued brokers and introducers. Ultimate Finance has been very clear about the value it places on these relationships and on the expertise that exists across Time Finance. We believe those things are a large part of what attracted them to the company in the first place and, with the offer for the Company now announced, we look to the future with a considerable amount of optimism and excitement."

Commenting on the Acquisition, Josh Levy, Chief Executive Officer of Bentley Park and Ultimate Finance, said:

"This acquisition is an exciting opportunity to bring together two strong specialist lenders with complementary capabilities, shared values and a common focus on supporting UK SMEs. We believe Time Finance is a strong strategic fit for Ultimate Finance, combining a relationship-led approach, talented

people and deep expertise, while creating opportunities to build on innovation and development using a genuine 'best of both' approach."

"For more than 20 years, Ultimate Finance has helped SMEs access the funding they need to grow and succeed. With an unaudited net loan book of £430 million at the end of June 2026, we are entering this next chapter from a position of strength. This acquisition would create a larger, more scalable specialist lending platform with broader capabilities, greater resources and the ability to support more businesses across a wider range of funding needs."

"We are excited about the opportunity this creates for our clients, introducers and employees of the Combined Group, while remaining focused on the long-term relationships and service that have underpinned the success of both businesses."

This summary should be read in conjunction with, and is subject to, the full text of this announcement and its Appendices.

Additional information for US investors

*The Acquisition relates to the shares of an English company and is expected to be implemented by means of a scheme of arrangement provided for under the Companies Act. A transaction implemented by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). The Acquisition is subject to the disclosure requirements and practices applicable to a scheme of arrangement involving a target company in England whose shares are traded on the London Stock Exchange's AIM, which differ from the disclosure requirements of the US tender offer and proxy solicitation rules.*

The financial information with respect to Time Finance included in this announcement and the Scheme Document (or, if the Acquisition is to be implemented by way of a Takeover Offer, the Offer Document) has been or will have been prepared in accordance with accounting standards applicable in the UK and may not therefore be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. Generally accepted accounting principles in the US differ in certain significant respects from the accounting standards applicable in the UK.

If, in the future, Bentley Park exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the US, the Acquisition will be made in compliance with applicable US laws and regulations, including Section 14(e) of the Exchange Act and Regulation 14E thereunder.

The receipt of cash consideration pursuant to the Acquisition by US Time Finance Shareholders as consideration for the transfer of Time Finance Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each Time Finance Shareholder (including each US Time Finance Shareholder) is urged to consult their own independent professional adviser immediately regarding the legal and tax consequences of the Acquisition applicable to them.

Neither the SEC nor any US state securities commission has approved or disapproved or passed judgment upon the fairness or the merits of the Acquisition or determined if this announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the US.

Each of Time Finance and Bentley Park is incorporated under the laws of England and Wales. In addition, some or all of their respective officers and directors reside outside the US, and some or all of their respective assets are or may be located in jurisdictions outside the US. Therefore, investors may have difficulty effecting service of process within the US upon those persons or recovering against Time Finance or Bentley Park or their respective officers or directors on judgments of US courts, including judgments based upon the civil liability provisions of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment. It may be difficult for US Time Finance Shareholders to enforce their rights and claims arising out of the US federal securities laws and it may not be possible to sue Time Finance or Bentley Park or their respective officers or directors in a non-US court for violations of US securities laws.

In accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the Exchange Act, to the extent applicable, Bentley Park or its nominees or brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, Time Finance Shares outside the US, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn, in compliance with applicable law, including the Exchange Act. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be

disclosed as required in the United Kingdom, will be reported via a Regulatory Information Service and will be available on the London Stock Exchange website at: <http://www.londonstockexchange.com>.

Forward-looking statements

This announcement, oral statements made regarding the Acquisition, and other information published by Bentley Park and/or Time Finance in respect of the Acquisition contain certain statements which are, or may be deemed to be, "forward-looking statements". These statements are prospective in nature and are not based on historical facts, but rather on the current expectations and projections of the management of Bentley Park, Ultimate Finance and/or Time Finance (as the case may be) about future events, and are, therefore, naturally subject to risks, uncertainties and changes in circumstances that could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. Forward-looking statements often use words such as, without limitation, "anticipate", "budget", "scheduled", "target", "expect", "estimate", "intend", "plan", "forecast", "project", "goal", "believe", "aim", "will", "may", "hope", "continue", "would", "could" or "should" or other words of similar meaning or the negative thereof. Forward-looking statements include, but are not limited to, statements relating to the following: (i) future capital expenditures, expenses, revenues, economic performance, financial conditions, dividend policy, losses and future prospects, (ii) business and management strategies and the expansion and growth of the operations of Time Finance or Bentley Park or Ultimate Finance, (iii) the effects of government regulation on the business of Time Finance or Bentley Park or Ultimate Finance, (iv) the expected effects of the Acquisition on Time Finance and/or Ultimate Finance and (v) the expected timing and scope of the Acquisition. There are many factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among such factors are changes in global, political, economic, business, competitive, market and regulatory forces, circumstances or conditions, future exchange and interest rates, changes in tax rates and future business combinations or disposals. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations.

These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. Except as expressly provided in this announcement, neither they nor any other statements have been reviewed by the auditors of Bentley Park, Ultimate Finance and/or Time Finance. By their nature, these forward-looking statements involve known and unknown risks and uncertainties because they relate to events and depend on circumstances that will or may occur in the future. RECOMMENDED CASH ACQUISITION

of

TIME FINANCE PLC

by

BENTLEY PARK (UK) LIMITED

(the parent company of Ultimate Finance Group Limited)

to be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006

1. Introduction

The Bentley Park Board and the Time Finance Board are pleased to announce that they have reached agreement on the terms of a recommended cash offer, to be made by Bentley Park (the parent company of Ultimate Finance), to acquire the entire issued and to be issued ordinary share capital of Time Finance.

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. However, Bentley Park reserves the right to elect (with the consent of the Panel and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer.

2. The Acquisition

Under the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Appendix 1 and to the full terms and conditions which will be set out in the Scheme Document, each Scheme Shareholder at the Scheme Record Time will be entitled to receive:

for each Time Finance Share: 59.1 pence in cash (the "Offer Price")

The Offer Price values the entire issued, and to be issued, ordinary share capital of Time Finance at approximately £55.13 million on a fully diluted basis.

The Offer Price represents:

- a premium of approximately 12.6 per cent. to the Closing Price of 52.50 pence per Time Finance Share on 14 August 2026 (being the Latest Practicable Date);
- a premium of approximately 23.5 per cent. to the volume weighted average price of 47.84 pence per Time Finance Share for the three-month period ended on 14 August 2026; and
- a premium of approximately 27.5 per cent. to the volume weighted average price of 46.34 pence per Time Finance Share for the six-month period ended on 14 August 2026.

If, on or after the date of this announcement and prior to the Acquisition becoming Effective, any dividend and/or other distribution and/or other return of capital or value is announced, declared, made or paid or becomes payable by Time Finance in respect of the Time Finance Shares (in each case with a record date prior to the Effective Date), Bentley Park reserves the right to reduce the Offer Price payable in respect of each Time Finance Share by an amount equal to the amount of such dividend, distribution and/or return of capital or value. If Bentley Park exercises this right to reduce the consideration, any reference in this announcement to the Offer Price will automatically be deemed to be a reference to the consideration as so reduced. In such circumstances, Time Finance Shareholders would be entitled to receive and retain any such dividend, distribution and/or return of capital or value. Any reduction in the Offer Price pursuant to this paragraph shall not be regarded as constituting any revision or variation of the terms of the Acquisition or the Scheme.

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions which will be set out in the Scheme Document including, among other things: (i) the approval of Scheme Shareholders at the Court Meeting and the passing of the Resolutions at the General Meeting; (ii) the sanction of the Scheme by the Court and a copy of the Court Order being delivered to the Registrar of Companies; and (iii) the Scheme becoming Effective by no later than 11.59 p.m. on the Long Stop Date. The Conditions also include the receipt of FCA approval of the change in control of certain regulated entities within the Time Finance Group (or the FCA otherwise being regarded under FSMA as having approved the same), as further described in this announcement.

The Scheme will be put to Scheme Shareholders at the Court Meeting and the Resolutions in connection with the Acquisition will be put to Time Finance Shareholders at the General Meeting. In order to become Effective, the Scheme must be approved by a majority in number of Scheme Shareholders representing not less than 75 per cent. in value of the Scheme Shares held by the Scheme Shareholders, in each case present, entitled to vote and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting which may be required by the Court or at any adjournment of such meeting.

In addition, the Resolutions must be passed by the requisite majority or majorities at the General Meeting (expected to be held immediately after the Court Meeting). Following the Court Meeting, the Scheme must also be sanctioned by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies, upon which the Scheme will become Effective. The Scheme must become Effective by no later than 11.59 p.m. on the Long Stop Date.

The Scheme Shares will be acquired by Bentley Park under the Acquisition fully paid and free from all liens, equitable interests, charges, encumbrances, options, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this announcement or thereafter attaching thereto, including (without limitation) voting rights and the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital or value (whether by way of reduction of share capital or share premium account or otherwise) made on or after the date of this announcement, other than any dividend, distribution and/or other return of capital or value in respect of which Bentley Park exercises its right under the terms of the Acquisition to reduce the Offer Price.

It is expected that the Scheme Document, containing full details of the Scheme and notices of the Court Meeting and General Meeting, together with the Forms of Proxy, will be sent to Time Finance Shareholders (among others) within 28 days of this announcement (or such later time as Time Finance, Bentley Park and the Panel may agree). An expected timetable of principal events relating to the Acquisition will be provided in the Scheme Document.

Subject to (i) the satisfaction or, where applicable, waiver of the Conditions and (ii) the further terms set out in Appendix 1 to this announcement (and to be set out in full in the Scheme Document), it is expected that the Scheme will become Effective in the fourth quarter of 2026.

3. Background to and reasons for the Acquisition

Bentley Park is the parent company of Ultimate Finance, a specialist asset-based lender. Bentley Park's interest in the Acquisition is driven by the opportunity to create a further scaled, multi-product UK SME lending platform combining two businesses with complementary capabilities and geographic footprints.

Bentley Park believes that the combined Ultimate Finance and Time Finance business (the "**Combined Group**") would be well-positioned as a significant independent alternative lender with a combined net loan book size of nearly £650 million (based on the companies' respective unaudited loan books as at 30 June 2026). Bentley Park believes the Combined Group would have the scale, product breadth and funding infrastructure to serve UK SMEs across a full spectrum of their working capital and asset investment needs. The Ultimate Finance Group also supports property investors through its bridging finance proposition, which will continue to be available within the Combined Group.

Revenue and expected economies of scale, incremental cross-sell opportunity across the combined client and introducer network, greater market share and presence, and larger and diversified distribution channels further underpin Bentley Park's commercial rationale for the transaction.

While M&A has never been Bentley Park's primary strategy for the Ultimate Finance Group and the Ultimate Finance Group continues to see strong organic growth opportunities, the Acquisition is expected to materially accelerate loan book growth, profitability and market presence for the Ultimate Finance Group. Bentley Park believes that Time Finance's existing operating leverage, strong funding capacity and revenue will further support the Combined Group's financial strength. Bentley Park also believes that the Acquisition creates the possibility for further reinvestment in growth, service and product development. Bentley Park believes that the acquisition of a strong and profitable business with good book performance, recognising the progress Time Finance has made over recent years, is an attractive opportunity to further accelerate progress towards the Ultimate Finance Group's ambitious growth aspirations for both loan book and profitability.

Bentley Park recognises the strength of Time Finance as a well-established and successful specialist lender with a strong track record, experienced teams and valuable client and introducer relationships. As noted above, Time Finance has made clear progress in recent years, and Bentley Park sees particular value in the quality of the business it has built and its investment in employee development. Bentley Park sees value not only in Time Finance's financial performance and market position, but also in the capability, relationships and specialist knowledge of its teams. The skills of Time Finance's employees are expected to strengthen the Combined Group's ability to serve clients and introducers well over the long term.

Bentley Park believes that the Acquisition will provide Time Finance the opportunity to access a larger parent with greater scale and the ability to focus on long-term growth without the reporting and regulatory burden of operating within a listed structure. Bentley Park believes that, as part of the Combined Group, Time Finance would benefit from greater equity and debt funding depth at a lower cost of capital, creating a stronger platform for sustainable growth and future development. Bentley Park believes that the full potential of Time Finance's capabilities is best achieved as a privately held company under the control of Bentley Park.

4. Recommendation

The Time Finance Directors, who have been so advised by Cavendish as to the financial terms of the Acquisition, unanimously consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Time Finance Directors, Cavendish has taken into account the commercial assessments of the Time Finance Directors. Cavendish is providing independent financial advice to the Time Finance Directors for the purposes of Rule 3 of the Code.

Accordingly, the Time Finance Directors intend to recommend unanimously that Scheme Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and Time Finance Shareholders vote (or procure votes) in favour of the Resolutions at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, that Time Finance Shareholders accept or procure acceptance of the Takeover Offer), as they have irrevocably undertaken to do in respect of their own beneficial holdings of, in aggregate, 2,190,838 Time Finance Shares representing approximately 2.36 per cent. of the issued ordinary share capital of Time Finance as at the Latest Practicable Date.

5. Background to and reasons for the Time Finance Directors' recommendation of the Acquisition

Time Finance is a non-bank alternative finance company providing UK businesses with flexible funding facilities in the shape of asset finance, invoice finance, business loans and asset-based lending. The Company has a demonstrable track record of delivering organic growth in its lending book for 20 consecutive quarters to 31 May 2026. The Time Finance Directors therefore remain confident in Time Finance's ability to succeed as an independent business.

Notwithstanding this recent record of performance and the strength of the Time Finance business, the Time Finance Board believes that the Acquisition presents a compelling route to fully realise the Company's long-term strategic and operational potential in the most efficient way possible, providing additional flexibility with which to execute growth initiatives outside the constraints of the public markets.

The Time Finance Board believes that Ultimate Finance is a strong strategic partner to support the next stage of the Company's development. Bringing the two businesses together creates a broader platform, greater scale and additional resources that can not only support future growth, but also materially accelerate it, while continuing to focus on customers and introducers.

The Time Finance Board's decision was additionally influenced by Ultimate Finance's existing knowledge and understanding of Time Finance, including the importance of Time Finance's strong customer relationships and introducer network built up over many years, the expertise that exists across the entire business and the cultural values that underpin the success of Time Finance.

In addition, the Offer Price from Bentley Park, Ultimate Finance's parent company, of 59.1 pence per Time Finance Share in cash will present an opportunity for Time Finance Shareholders to accelerate the crystallisation of certain value from their investment at an attractive premium to the volume weighted average price of 46.34 pence per Time Finance Share for the six-month period ended on the Latest Practicable Date, de-risks the return of value and provides full liquidity of their investment in Time Finance.

6. Irrevocable undertakings

Bentley Park has received irrevocable undertakings in respect of 43,821,878 Time Finance Shares representing, in aggregate, approximately 47.36 per cent. of Time Finance's issued ordinary share capital as at the Latest Practicable Date. These irrevocable undertakings would also extend to any Time Finance Shares that are acquired by the relevant Time Finance Shareholders on or following the date of this announcement.

These include irrevocable undertakings received from each of the Time Finance Directors as well as Arena Investors, L.P., GPIM Limited and Mr. Ron Russell to vote (or procure votes): (i) in favour of the Scheme at the Court Meeting; and (ii) in favour of the Resolutions at the General Meeting (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure acceptance of the Takeover Offer) in respect of their entire beneficial holdings of Time Finance Shares.

The irrevocable undertakings from the Time Finance Directors relate to, in aggregate, 2,190,838 Time Finance Shares, representing approximately 2.36 per cent. of Time Finance's issued ordinary share capital as at the Latest Practicable Date. These irrevocable undertakings would also extend to the 625,000 Time Finance Shares, in aggregate, that could be acquired by Ed Rimmer and James Roberts as a result of the vesting of awards and the exercise of options under the Time Finance Share Plan.

The irrevocable undertakings from Arena Investors, L.P., GPIM Limited and Mr. Ron Russell relate to, in aggregate, 41,631,040 Time Finance Shares, representing approximately 45.00 per cent. of Time Finance's issued ordinary share capital as at the Latest Practicable Date.

Further details of these irrevocable undertakings (including the circumstances in which they may lapse) are set out in Appendix 4 to this announcement.

8. Information relating to Bentley Park and Ultimate Finance

Bentley Park

Bentley Park is a private limited company incorporated in England and Wales on 28 March 2015 under the Companies Act with registered number 09515595. Bentley Park's registered office is at First Floor, Equinox North, Great Park Road, Bradley Stoke, Bristol BS32 4QL.

The Bentley Park Board comprises Josh Levy and Neil McMyn. Each Bentley Park Director shall remain a director of Bentley Park in the event that the Scheme becomes Effective.

Following the sale of its investment in Avenue Insurance Partners Limited which completed in November 2025, Bentley Park's sole investment is Ultimate Finance. If the Acquisition becomes Effective, the principal activity of Bentley Park will be acting as a holding company for Ultimate Finance and Time Finance.

Ultimate Finance

Ultimate Finance is a wholly-owned subsidiary of Bentley Park.

Ultimate Finance, established in 2002, is a specialist asset-based lender that provides a wide range of flexible funding solutions tailored to the needs of SMEs. To date, the Ultimate Finance Group has funded over £19 billion to support the ambitions of UK SMEs. Part of the Tavistock Group, an international private investment firm, the Ultimate Finance Group has offices in London, Bristol, Lutterworth, Leeds and Edinburgh. The Ultimate Finance Group currently supports over 4,000 businesses with flexible funding solutions to help realise potential through unlocking working capital, funding the purchase of assets and supporting property developers and investors with short term funding, all designed to support business ambition, helping businesses overcome cash flow challenges and seize opportunities for growth.

Ultimate Finance's purpose is to fund the ambitions of UK SMEs and property investors. Ultimate Finance's strong performance in the first half of this year - including 21 per cent. loan book growth and a continued 5/5 Trustpilot rating - demonstrates the strength of Ultimate Finance's execution, partnerships and service-led platform for growth. Following the first half of 2026, Ultimate Finance announced a record net loan book of £430 million and £153 million of new lending facilities as at 30 June 2026 (unaudited), alongside its highest-ever customer advocacy and net promoter score results. The Ultimate Finance Group's unaudited net loan book as at 30 June 2026 was split between invoice finance products (approximately £165 million net loan book value), asset finance products (approximately £165 million net loan book value) and bridging finance products (approximately £99 million net loan book value).

Ultimate Finance has ambitious growth aspirations for both loan book and profitability, and the opportunity to accelerate this through the acquisition of a strong and profitable business, with good book performance and clear progress made over recent years, is attractive.

Further details in relation to Bentley Park and the Ultimate Finance Group will be set out in the Scheme Document in due course.

9. Intentions with regard to the business of Time Finance

Strategic plans

As set out in paragraph 3 above, by combining the two businesses of Ultimate Finance and Time Finance, which have complementary capabilities, the Combined Group would have greater market share, market presence and brand awareness across the asset finance, invoice finance and asset-based-lending categories. The Bentley Park Board believes the rationale for the Acquisition is particularly compelling in a competitive and mature, but growing and fragmented, market.

Looking ahead, Bentley Park and Ultimate Finance believe that their existing knowledge of Time Finance's business and market positioning, the operating systems the two businesses have in common, access to innovation work and system development on a 'best of both' basis, together with a broader talent pool of valuable skills, capabilities and relationships, should help minimise integration risk and deliver future success. In addition, these factors are expected to support the Combined Group's ability to grow, and serve clients and introducers well, whilst reinvesting in future development. The combination of Ultimate Finance and Time Finance would also broaden the talent base of the overall business, bringing together complementary experience across relationship management, operations, credit, risk, origination, and creating a stronger platform for leadership development and internal progression.

Bentley Park believes that the Acquisition represents an opportunity for the Combined Group to become a leading specialist lender in the UK with greater scale and resources to deploy on the growth opportunities that exist. Both Ultimate Finance and Time Finance operate local, relationship-driven models with office

footprints stretching across the UK and this will remain an important part of the Combined Group's service proposition to clients and introducers. As noted below, Bentley Park intends to review this operating footprint and ways of working as part of the wider process of integrating Time Finance's business into the Combined Group (the "**Integration**"), with a view to supporting efficient operations and team engagement, while maintaining depth of talent, and strong relationships with clients and introducers.

In relation to products, Bentley Park believes there will be greater opportunity for the Combined Group to grow as a result of its enhanced distribution network. Any potential changes to product offerings would be considered, with clear communication to colleagues, brokers and clients, while ensuring the Combined Group remains focused on the areas where it can deliver the strongest service, sustainable growth and optimal long-term outcomes. In the light of its analysis to date of Time Finance's business, Bentley Park expects that the soft asset financing offering will be non-core to Time Finance's business and Bentley Park's growth plans for the Combined Group. Therefore, Bentley Park intends that, shortly following the Effective Date, Time Finance will stop offering new soft asset financing products. This may result in a reduction in headcount over time but any such headcount reduction is not expected to be material in the context of Time Finance and it is intended that this would be mitigated, where possible, by the redeployment of relevant employees into appropriate alternative roles. However, Bentley Park intends for Time Finance to honour the existing approved pipeline of deals and to continue to focus on delivering high-quality service to existing customers for the duration of any ongoing soft asset financing arrangements. At this time, no further potential product changes are envisaged.

Following the Effective Date, Bentley Park intends to undertake a further review of Time Finance's operations and business plan (the "**Review**") to build upon Bentley Park's initial assessment of the Integration. The Review is expected to take up to six months from the Effective Date and will include assessing how best to implement the Integration to achieve efficiencies and cost savings while maintaining continuity and stability for clients and introducers. As part of the Review, Bentley Park intends to, amongst other things: consider the priorities for Time Finance's business; seek to ensure that the Combined Group retains the skills, expertise and relationships necessary to support its future development; evaluate the management, organisational and governance structures of Time Finance (including employee roles and functions and the office footprint, as explained below in further detail); and take into account the outcome of further engagement with the key stakeholders of Time Finance's business. While the Review may take up to six months, Bentley Park would look to action any opportunities identified to improve the Combined Group in parallel with the ongoing Review and, recognising a desire to avoid a prolonged period of uncertainty, intends to complete any Integration over a six to nine month period following the Effective Date (that is, inclusive of the period of the Review).

In conducting the Review, Bentley Park intends to have regard to the importance of retaining key skills, experience and customer relationships and supporting the continued success of the Combined Group.

Employees and management

Bentley Park recognises the depth of experience of the current executive leadership team of Time Finance as well as the considerable success it has achieved over recent years. As part of the Review, Bentley Park intends to evaluate the leadership and management structure of the Combined Group, including the Time Finance Group, to ensure it retains the right skills and expertise in the context of the Combined Group. Bentley Park intends for the Bentley Park Directors to be appointed as executive directors of Time Finance on or following the Effective Date.

Bentley Park believes that private ownership will enable Time Finance to focus on strategic, commercial, operational and financial activities without the ongoing requirements of being a publicly traded company. Bentley Park intends to delist Time Finance on or shortly following the Effective Date and, consequently, Time Finance will not require listed company governance structures. Accordingly, it is intended that each of the non-executive Time Finance Directors will step down from the boards of Time Finance on or shortly following the Effective Date.

Bentley Park and Ultimate Finance recognise that Time Finance's talented employees will be important to the future success of the Combined Group. Bentley Park believes that the Acquisition will bring together

two businesses with complementary capabilities and strong cultural alignment and should provide opportunities for employees from both organisations to benefit from a broader platform, wider expertise and the sharing of best practice.

In order to realise the expected benefits of the Acquisition and implement its strategic plans for the Combined Group, Bentley Park anticipates that some workforce reduction and operational restructuring will likely be required following the Acquisition. Any such changes are expected to be informed by the outcome of the Review as Bentley Park has not yet had access to sufficiently detailed information to complete its evaluation nor has it had the opportunity to observe Time Finance's business first hand. Headcount reductions may arise as a result of, amongst other things, overlapping functions, efficiencies or decisions that may be taken to combine lending operations, all to be considered as part of the Review. Based on a preliminary assessment, any headcount reductions could be material in the context of Time Finance's workforce. However, no decisions have been taken as to the scale, location or allocation of any such reductions. Bentley Park notes that possible headcount reductions may be required within the Combined Group, but that is yet to be determined and any headcount reductions within Ultimate Finance's business are not expected to be material.

A specific proposal as to the number of individuals affected, or how any headcount reductions are to be implemented, has not yet been developed. As with other matters, any such proposal will be finalised and implemented following appropriate consultation with relevant stakeholders, including affected employees. Where possible, Bentley Park expects that involuntary headcount reductions will be mitigated by the anticipated growth of the Combined Group following completion of the Acquisition and natural attrition and may be further mitigated, where possible, by the redeployment of employees into appropriate new roles that may be created as the Combined Group delivers on strong organic growth ambitions.

In relation to the Integration, as noted above, Bentley Park intends to undertake a Review following the Effective Date of the Combined Group's operations, organisational structure and business requirements in order to support the successful Integration and identify opportunities to further enhance efficiency and support future growth. A key objective of the Review will be to ensure that the Combined Group retains the skills, expertise and relationships necessary to support its future development.

As at the date of this announcement, Bentley Park has not reached any decisions regarding any material changes to employee roles, headcount or organisational structures nor has it developed any detailed Integration plans. Any proposals arising from the Review will be developed following the Effective Date and, where required, will be subject to appropriate engagement, information and consultation processes in accordance with applicable law. Save as set out in this announcement, Bentley Park does not intend to make any material changes to the balance of skills and functions, of the employees or management of Time Finance.

For the continuing Time Finance team, Bentley Park believes the Acquisition should generally provide continuity of operations in the short term while recognising and retaining the specialist capability, relationships and expertise that have been built over time. Bentley Park believes being part of a larger organisation with a stronger balance sheet and greater growth opportunities should create the conditions for career development opportunities. Bentley Park would seek to ensure that those Time Finance colleagues feel recognised for the role they have played in building that business, while providing visibility of career pathways, access to broader development opportunities and the chance to be part of a larger specialist lending platform.

For the existing Ultimate Finance team, Bentley Park and Ultimate Finance believe the Acquisition should create the conditions for more career progression opportunities and greater internal mobility as part of a larger, more scaled platform. It also signals the acceleration of Ultimate Finance's ambitious growth strategy with a stronger market position, better growth prospects and a stronger profit base, while giving Ultimate Finance colleagues access to wider specialist expertise within Time Finance's existing business. The Integration should also create opportunities for Ultimate Finance colleagues to work with new teams and participate in a broader, more ambitious growth journey as part of the Combined Group.

Other stakeholders

For Time Finance clients, Bentley Park believes the Acquisition should provide access to a broader range of funding solutions (notwithstanding that Bentley Park intends that Time Finance will stop offering new soft asset financing products shortly following the Effective Date) and the opportunity for more multi-product lending through a larger, more scalable lender. For Time Finance's invoice finance clients in particular, there should be wider product reach across Ultimate Finance's existing property, cash flow, trade and debtor protection capabilities, supported by a stronger long-term platform and the funding strength of the Combined Group. As the businesses are brought together, the continued relationship-led service model will remain important, with a focus on clear communication, service continuity and the opportunity to bring Ultimate Finance's strong service track record to a larger number of businesses.

For brokers and introducers across the market, Bentley Park and Ultimate Finance believe the Acquisition should provide access to a larger lender with greater funding capacity, a stronger balance sheet and broader funding solutions for Time Finance clients, as noted above. Bentley Park intends to bring together the 'best of both' businesses, maintaining the specialist expertise, relationship-led approach and continuity of service that introducers value. Retaining the people and relationships that introducers know and trust will be an important part of maintaining confidence through the transition.

Existing employment rights and pensions

Bentley Park confirms that, following the Effective Date of the Acquisition, the existing contractual and statutory employment rights of Time Finance employees, including pension arrangements, will be fully safeguarded in accordance with applicable law. Following the Effective Date, Bentley Park intends to review employment terms, policies and benefit arrangements across the Combined Group and any proposed changes would be implemented only following appropriate engagement and consultation processes where required by law.

Time Finance does not operate any defined benefit pension schemes in respect of its employees. Time Finance operates defined contribution pension plans. Bentley Park does not intend to make any immediate changes to the agreed employer contribution rates in relation to such defined contribution pension plans following the Effective Date. Any future changes would be implemented in accordance with applicable law and following any required employee consultation.

Management incentive arrangements

Bentley Park is not in discussions regarding any form of incentive arrangements with any member of Time Finance's management and does not intend to enter into any such discussions prior to the Effective Date.

Headquarters, HQ functions, locations, fixed assets and research and development

Bentley Park will consider the Combined Group's office footprint following the Effective Date as part of its Review and wider planning process for the Integration. Such a review will consider, amongst other things: how the Combined Group can best support clients, introducers and employees while operating efficiently across the office network; the terms of the leases of Time Finance's various offices; potential cost savings; and the importance of maintaining strong local relationships, supporting team engagement and cultural integration whilst preserving the regional expertise that underpins the service model of both businesses.

As at the date of this announcement, no decisions have been taken regarding any particular office location. Any proposals arising from the review would be subject to appropriate information and consultation processes where required by applicable law. Based on its review of Time Finance's business to date, Bentley Park intends for Time Finance's offices in Warrington and Manchester in North West England and Reading in South East England to play an important role in strengthening the regional footprint for the Combined Group's office network. However, Bentley Park does expect that the Review may result in a reduction to the Combined Group's office footprint, at least over time, and will consult with any affected employees appropriately.

The headquarters and registered office of Time Finance is currently located at 2nd Floor, St James House, The Square, Lower Bristol Road, Bath BA2 3BH. Following the Effective Date, Bentley Park intends to

change the registered office of Time Finance, and the principal place of business for Ultimate Finance Group-level matters, to First Floor, Equinox North, Great Park Road, Bradley Stoke, Bristol BS32 4QL (being the registered office of Bentley Park and Ultimate Finance).

Save in connection with any changes to the Combined Group's office footprint described above, Bentley Park has no plans to redeploy the fixed assets of Time Finance. Owing to the nature of its business, Time Finance has no research and development function.

Trading facilities

It is intended that dealings in, and registration of transfers of, Time Finance Shares (other than the registration of the transfer of the Scheme Shares to Bentley Park pursuant to the Scheme) will be suspended shortly before the Effective Date at a time to be set out in the Scheme Document. It is further intended that an application will be made to the London Stock Exchange to cancel trading in the Time Finance Shares on AIM with effect from, or shortly following, the Effective Date.

Further details about the cancellation of trading of the Time Finance Shares can be found in paragraph 15 of this announcement.

None of the statements in this paragraph 9 is a "post-offer undertaking" for the purposes of Rule 19.5 of the Code.

10. Financing of the Acquisition

The cash consideration payable by Bentley Park under the terms of the Acquisition will be financed from existing cash resources of the Wider Ultimate Finance Group and funds to be drawn by Bentley Park under one or more facilities made available to it by Lakeland Cove Ltd and Aviva Holdings Ltd (other companies within the Tavistock Group) under the terms of the Intercompany Loan Agreements.

Dickson Minto Advisers, in its capacity as financial adviser to Bentley Park, confirms that it is satisfied that sufficient financial resources are available to Bentley Park to enable it to satisfy in full the consideration payable to Time Finance Shareholders under the terms of the Acquisition.

11. Offer-related arrangements

Confidentiality agreements

The Original Confidentiality Agreement

On 25 February 2026, Time Finance and Ultimate Finance entered into a confidentiality agreement (the "**Original Confidentiality Agreement**") in relation to the possible acquisition of the entire issued and to be issued share capital of Time Finance by Ultimate Finance or one of its group companies, pursuant to which, amongst other things, Ultimate Finance undertook to Time Finance to: (a) subject to certain exceptions, keep information relating to Time Finance and the possible transaction confidential and not to disclose it to third parties; and (b) use such confidential information only in connection with the possible transaction. It was originally agreed that those confidentiality obligations were to remain in force for a period of 18 months from the date of the Original Confidentiality Agreement (or, if earlier, the completion of the possible transaction).

The Original Confidentiality Agreement contained standstill provisions which (subject to certain customary exemptions) restricted Ultimate Finance and certain affiliates and representatives and any person acting in concert with Ultimate Finance from, amongst other things, acquiring or offering to acquire interests in certain securities of Time Finance for a period of nine months from the date of the Original Confidentiality Agreement. In addition, the Original Confidentiality Agreement also contained restrictions on Ultimate Finance and certain of its affiliates and representatives from, amongst other things, soliciting or enticing away certain directors, officers or employees of Time Finance or its affiliates (subject to certain customary exemptions) for a period of six months from the date of the Original Confidentiality Agreement.

The Revised Confidentiality Agreement

On 29 July 2026, in the light of the information to be shared by or on behalf of Bentley Park to Time Finance and its advisers in connection with the Acquisition and the satisfaction of the FCA Regulatory Condition, each of Time Finance, Bentley Park and Ultimate Finance entered into a mutual confidentiality agreement (the "**Revised Confidentiality Agreement**") in connection with the Acquisition. The Revised Confidentiality Agreement terminated and replaced the Original Confidentiality Agreement and is on substantially the same terms as the Original Confidentiality Agreement save that both Time Finance and Bentley Park are bound by reciprocal restrictions of confidentiality and use of information. The termination of the Original Confidentiality Agreement was without prejudice to the rights of Time Finance and Ultimate Finance which had arisen at or prior to such termination.

Pursuant to the Revised Confidentiality Agreement, Bentley Park undertook to Time Finance, and Time Finance undertook to Bentley Park, to: (a) subject to certain exceptions, keep information relating to the other party and the Acquisition confidential and not to disclose it to third parties; and (b) use such confidential information only in connection with the Acquisition. Those confidentiality obligations will remain in force for a period of 18 months from the date of the Revised Confidentiality Agreement (or, if earlier, the completion of the Acquisition).

The Revised Confidentiality Agreement substantively replicated the standstill and non-solicitation provisions contained in the Original Confidentiality Agreement, save that: (i) each party agreed to be bound by the terms of the non-solicitation provisions; and (ii) it was agreed that the standstill and non-solicitation restrictions would apply from 25 February 2026 (that is, the date of the Original Confidentiality Agreement) rather than the date of the Revised Confidentiality Agreement.

Co-operation Agreement

On 17 August 2026, Bentley Park and Time Finance entered into a co-operation agreement (the "**Co-operation Agreement**") pursuant to which Bentley Park has agreed to use all reasonable efforts to satisfy the FCA Regulatory Condition and the Condition set out in paragraph 3(c) of Part A of Appendix 1 to this announcement (and to procure that each other Controller uses all reasonable efforts to satisfy the FCA Regulatory Condition) as soon as is reasonably practicable after the date of this announcement and, in any event, in sufficient time to allow the Effective Date to occur on or before 11.59 p.m. on the Long Stop Date.

In addition, Time Finance and Bentley Park have each agreed to certain related co-operation provisions and obligations in relation to the making of filings to the FCA and other Third Parties in connection with the Acquisition.

The Co-operation Agreement records the parties' intention to implement the Acquisition by way of the Scheme and sets out the circumstances in which Bentley Park may elect to switch from a Scheme to a Takeover Offer and the obligations which would apply to Bentley Park in such circumstances.

The Co-operation Agreement is capable of termination in certain circumstances, including if: the Acquisition is withdrawn or lapses in accordance with its terms on or before the Long Stop Date; the Time Finance Directors withdraw or adversely modify or qualify their recommendation of the Acquisition; an offer made by a third party (the purpose of which is to acquire all or a majority of the issued and to be issued share capital of Time Finance or all or a majority of its business and assets) which completes, becomes effective or is declared or becomes unconditional; Conditions 2(a), 2(b), 2(c)(i) or 2(c)(ii) are not satisfied; or otherwise as agreed between Bentley Park and Time Finance.

Pursuant to the terms of the Co-operation Agreement and the requirements of paragraph 3(g)(i) of Appendix 7 to the Code, Bentley Park has undertaken to deliver a notice in writing to Time Finance and the Panel on the Business Day prior to the Court Hearing confirming either: (i) the satisfaction or waiver of the Conditions (other than the Conditions set out in paragraph 2(c) of Part A of Appendix 1 to this announcement); or (ii) to the extent permitted by the Panel, that it intends to invoke or treat as unsatisfied or incapable of satisfaction one or more Conditions.

The Co-operation Agreement also contains provisions that apply in respect of the Time Finance Share Plan and certain other employee-related matters.

12. Structure of and conditions to the Acquisition

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement between Time Finance and Scheme Shareholders under Part 26 of the Companies Act (although Bentley Park reserves the right to implement the Acquisition by way of a Takeover Offer, subject to the consent of the Panel and the terms of the Co-operation Agreement).

The purpose of the Scheme is to provide for Bentley Park to become the holder of the entire issued and to be issued ordinary share capital of Time Finance. This is to be achieved by the transfer of Scheme Shares to Bentley Park in consideration for which Scheme Shareholders who are on the register of members of Time Finance at the Scheme Record Time will receive cash in respect of their Time Finance Shares on the basis described in paragraph 2 of this announcement. The transfer to Bentley Park of the Scheme Shares is intended to result in Time Finance becoming a wholly-owned subsidiary of Bentley Park.

Conditions to the Acquisition

The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions which will be set out in the Scheme Document. In particular, the Scheme will only become Effective if, among other things, the following events occur on or before 11.59 p.m. (London time) on the Long Stop Date:

- (a) the approval of the Scheme by a majority in number of Scheme Shareholders, representing not less than 75 per cent. in value of the Scheme Shares held by the Scheme Shareholders, in each case present, entitled to vote and voting, either in person or by proxy, at the Court Meeting;
- (b) the Resolutions being duly passed at the General Meeting;
- (c) the sanction of the Scheme by the Court (with or without modification but subject to any modification being on terms acceptable to Time Finance and Bentley Park);
- (d) following the sanction by the Court, a copy of the Court Order being delivered to the Registrar of Companies;
- (e) the satisfaction (or, where applicable, waiver) of the FCA Regulatory Condition (being, in summary, receipt of FCA approval of the change in control of certain regulated entities within the Time Finance Group in connection with the Acquisition (or the FCA otherwise being regarded under FSMA as having approved the same), as further described in this announcement); and
- (f) all other Conditions to the Scheme being satisfied or (where applicable) waived.

Bentley Park may only invoke a Condition so as to cause the Acquisition not to proceed, lapse or to be withdrawn with the consent of the Panel. Certain Conditions are not subject to this requirement. Further details are set out in Part B of Appendix 1.

Additionally, the Scheme will lapse if, among other things:

- (a) the Court Meeting and/or the General Meeting is not held by the 22nd day after the expected date of such meeting, which will be set out in the Scheme Document in due course (or such later date as may be agreed between Bentley Park and Time Finance with the consent of the Panel and, in the case of the Court Meeting, as the Court may allow);
- (b) the Court Hearing is not held by the 22nd day after the expected date of such hearing, which will be set out in the Scheme Document in due course (or such later date as may be agreed between Bentley Park and Time Finance with the consent of the Panel, and as the Court may allow); or

- (c) the Scheme does not become Effective at or before 11.59 p.m. (London time) on the Long Stop Date.

Upon the Scheme becoming Effective: (a) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and, if they attended and voted, whether or not they voted in favour); and (b) share certificates in respect of Scheme Shares will cease to be valid and should be destroyed and entitlements to Scheme Shares held within the CREST system will be cancelled. The cash consideration payable under the Scheme will be despatched to Scheme Shareholders by Bentley Park no later than 14 days after the Effective Date.

Full details of the Scheme will be included in the Scheme Document, together with notices of the Court Meeting and the General Meeting. The Scheme Document will also contain the expected timetable for the Acquisition and will specify the necessary actions to be taken by Scheme Shareholders. It is expected that the Scheme Document, together with the Forms of Proxy, will be posted to Time Finance Shareholders and, for information only, to persons with information rights within 28 days of this announcement (or such later time as Bentley Park, Time Finance and the Panel may agree). Subject, amongst other things, to the satisfaction or (where applicable) waiver of the Conditions, it is expected that the Scheme will become effective in the fourth quarter of 2026.

The Scheme will be governed by English law and will be subject to the jurisdiction of the Court. The Scheme will also be subject to the applicable requirements of the Code, the Panel, the FCA, the London Stock Exchange (including the AIM Rules) and the Registrar of Companies.

There are no agreements or arrangements to which Bentley Park is a party which relate to the circumstances in which it may or may not invoke or seek to invoke a Condition of the Acquisition.

13. Time Finance Share Plan

Participants in the Time Finance Share Plan will be contacted separately regarding the effect of the Acquisition on their rights under the Time Finance Share Plan and, in accordance with Rule 15 of the Code, Bentley Park will make appropriate proposals to such participants in due course. Details of the impact of the Scheme on the Time Finance Share Plan and the proposals referred to above will be set out in the Scheme Document.

14. Right to switch to a Takeover Offer

Bentley Park reserves the right to elect, with the consent of the Panel and subject to the terms of the Co-operation Agreement, to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme.

In such an event, the Acquisition will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme (subject to appropriate amendments for an acquisition being made by way of a Takeover Offer, including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of the Time Finance Shares to which the Takeover Offer relates (or such lesser percentage as may be determined by Bentley Park after consultation with the Panel (if necessary), or as may be required under the terms of the Co-operation Agreement), being, in any case, more than 50 per cent. of the voting rights normally exercisable at a general meeting of Time Finance, including, for this purpose, any such voting rights attaching to Time Finance Shares that are issued before the acceptance condition is satisfied, whether pursuant to the exercise of conversion or subscription rights or otherwise). Further, if sufficient acceptances of the Takeover Offer are received and/or sufficient Time Finance Shares are otherwise acquired by Bentley Park, it is the intention of Bentley Park to apply the provisions of the Companies Act to compulsorily acquire any outstanding Time Finance Shares to which the Takeover Offer relates.

15. Cancellation of trading and re-registration as a private company

It is intended that dealings in Time Finance Shares will be suspended on or shortly before the Effective Date at a time to be set out in the Scheme Document. It is further intended that an application will be

made to the London Stock Exchange to cancel trading in Time Finance Shares on AIM, with effect from or shortly after the Effective Date.

The last day of dealings in Time Finance Shares on AIM is currently expected to be the Business Day immediately prior to the Effective Date and it is currently intended that no transfers will be registered after 6.00 p.m. (London time) on that date.

Upon the Scheme becoming Effective, share certificates in respect of Time Finance Shares will cease to be valid and should be destroyed. Once the Scheme has become Effective entitlements held within CREST to Time Finance Shares will be cancelled.

It is Bentley Park's intention that, as soon as practicable following the Effective Date, Time Finance will be re-registered as a private limited company.

16. Disclosure of interests in Time Finance

As at the Latest Practicable Date, other than the irrevocable undertakings referred to in paragraph 6 of this announcement, none of Bentley Park, nor any of its directors nor, so far as Bentley Park is aware, any person acting, or deemed to be acting, in concert with Bentley Park, had:

- (a) any interest in, or right to subscribe for, relevant securities of Time Finance;
- (b) any short position in (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, relevant securities of Time Finance; or
- (c) borrowed, lent or entered into any financial collateral arrangements or dealing arrangements of the kind referred to in Note 11 on the definition of acting in concert in the Code in respect of any relevant securities of Time Finance.

In this paragraph 16:

- **"relevant securities of Time Finance"** means Time Finance Shares and securities convertible into, or rights to subscribe for, options (including traded options) in respect of, Time Finance Shares and derivatives referenced thereto; and
- **"interests in securities"** arise, in summary, when a person has a long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to, securities.

17. Overseas Time Finance Shareholders

The availability of the Acquisition and the distribution of this announcement to persons resident in, or citizens of, or otherwise subject to, jurisdictions outside the United Kingdom may be affected by the laws of the relevant jurisdictions. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. Time Finance Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

This announcement is not intended to, and does not, constitute or form part of any offer to sell or to subscribe for, or any invitation to purchase or subscribe for, or the solicitation of any offer to purchase or otherwise subscribe for, any securities. Time Finance Shareholders are advised to read carefully the Scheme Document and the Forms of Proxy once these have been despatched.

Further information for Time Finance Shareholders resident, or located, in overseas jurisdictions will be set out in the Scheme Document.

18. General

The Scheme Document and the Forms of Proxy accompanying the Scheme Document are expected to be sent to Time Finance Shareholders within 28 days of this announcement (or such later time as Bentley Park, Time Finance and the Panel may agree). A copy of the Scheme Document is also expected to be sent (for information only) to persons with information rights at the same time as it is posted to Time Finance Shareholders.

In deciding whether or not to vote or procure votes to approve the Scheme at the Court Meeting or to vote or procure votes in favour of the Resolutions at the General Meeting in respect of their Time Finance Shares, Time Finance Shareholders who are eligible to vote at such Meetings should rely on the information contained, and follow the procedures described, in the Scheme Document and the Forms of Proxy.

The Acquisition will be subject to the Conditions and further terms set out in Appendix 1 and to the full terms and conditions which will be set out in the Scheme Document. The sources and bases of calculation of certain information contained in this announcement are set out in Appendix 2. Details of the Time Finance Profit Estimates contained in the FY 2025/26 Trading Update are set out in Appendix 3. Details of the irrevocable undertakings given by certain Time Finance Shareholders in relation to the Acquisition are set out in Appendix 4. Certain definitions and terms used in this announcement are set out in Appendix 5.

To the fullest extent permitted by applicable law, the companies, advisers and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Bentley Park or required by the Code, and permitted by applicable law and regulation, the Acquisition shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction or any other jurisdiction where to do so would violate the laws or regulations in that jurisdiction and no person may vote in favour of the Acquisition by use of the mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, any Restricted Jurisdiction or from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction.

Copies of this announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction or any other jurisdiction where to do so would constitute a violation of the laws or regulations of such jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in, into or from any Restricted Jurisdiction or any other jurisdiction where to do so would violate the laws or regulations in that jurisdiction. Doing so may render invalid any related purported vote in respect of, or acceptance of, the Acquisition.

If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into, or by use of the mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facility or from within any Restricted Jurisdiction.

The availability of the Acquisition to Time Finance Shareholders who are not resident in the United Kingdom may be affected by the laws of the jurisdiction in which they are resident. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable requirements.

Further details in relation to Time Finance Shareholders in overseas jurisdictions will be contained in the Scheme Document.

The Acquisition will be subject to the applicable requirements of English law, the Court, the Code, the Panel, the FCA, the London Stock Exchange (including the AIM Rules) and the Registrar of Companies.

Additional information for US investors

*The Acquisition relates to the shares of an English company and is expected to be implemented by means of a scheme of arrangement provided for under the Companies Act. A transaction implemented by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). The Acquisition is subject to the disclosure requirements and practices applicable to a scheme of arrangement involving a target company in England whose shares are traded on the London Stock Exchange's AIM, which differ from the disclosure requirements of the US tender offer and proxy solicitation rules.*

The financial information with respect to Time Finance included in this announcement and the Scheme Document (or, if the Acquisition is to be implemented by way of a Takeover Offer, the Offer Document) has been or will have been prepared in accordance with accounting standards applicable in the UK and may not therefore be comparable to the financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US. Generally accepted accounting principles in the US differ in certain significant respects from the accounting standards applicable in the UK.

If, in the future, Bentley Park exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend the Takeover Offer into the US, the Acquisition will be made in compliance with applicable US laws and regulations, including Section 14(e) of the Exchange Act and Regulation 14E thereunder.

The receipt of cash consideration pursuant to the Acquisition by US Time Finance Shareholders as consideration for the transfer of Time Finance Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each Time Finance Shareholder (including each US Time Finance Shareholder) is urged to consult their own independent professional adviser immediately regarding the legal and tax consequences of the Acquisition applicable to them.

Neither the SEC nor any US state securities commission has approved or disapproved or passed judgment upon the fairness or the merits of the Acquisition or determined if this announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the US.

Each of Time Finance and Bentley Park is incorporated under the laws of England and Wales. In addition, some or all of their respective officers and directors reside outside the US, and some or all of their respective assets are or may be located in jurisdictions outside the US. Therefore, investors may have difficulty effecting service of process within the US upon those persons or recovering against Time Finance or Bentley Park or their respective officers or directors on judgments of US courts, including judgments based upon the civil liability provisions of US federal securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment. It may be difficult for US Time Finance Shareholders to enforce their rights and claims arising out of the US federal securities laws and it may not be possible to sue Time Finance or Bentley Park or their respective officers or directors in a non-US court for violations of US securities laws.

In accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the Exchange Act, to the extent applicable, Bentley Park or its nominees or brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, Time Finance Shares outside the US, other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn, in compliance with applicable law, including the Exchange Act. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the United Kingdom, will be reported via a Regulatory Information Service and will be available on the London Stock Exchange website at: <http://www.londonstockexchange.com>.

Further details in relation to US investors in Time Finance will be contained in the Scheme Document.

Forward-looking statements

This announcement, oral statements made regarding the Acquisition, and other information published by Bentley Park and/or Time Finance in respect of the Acquisition contain certain statements which are, or may be deemed to be, "forward-looking statements". These statements are prospective in nature and are not based on historical facts, but rather on the current expectations and projections of the management of Bentley Park, Ultimate Finance and/or Time Finance (as the case may be) about future events, and are, therefore, naturally subject to risks, uncertainties and changes in circumstances that could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements. Forward-looking statements often use words such as, without limitation, "anticipate", "budget", "scheduled", "target", "expect", "estimate", "intend", "plan", "forecast", "project", "goal", "believe", "aim", "will", "may", "hope", "continue", "would", "could" or "should" or other words of similar meaning or the negative thereof. Forward-looking statements include, but are not limited to, statements relating to the following: (i) future capital expenditures, expenses, revenues, economic performance, financial conditions, dividend policy, losses and future prospects, (ii) business and management strategies and the expansion and growth of the operations of Time Finance or Bentley Park or Ultimate Finance, (iii) the effects of government regulation on the business of Time Finance or Bentley Park or Ultimate Finance, (iv) the expected effects of the Acquisition on Time Finance and/or Ultimate Finance and (v) the expected timing and scope of the Acquisition. There are many factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among such factors are changes in global, political, economic, business, competitive, market and regulatory forces, circumstances or conditions, future exchange and interest rates, changes in tax rates and future business combinations or disposals. Such statements are qualified in their entirety by the inherent risks and uncertainties surrounding future expectations.

These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. Except as expressly provided in this announcement, neither they nor any other statements have been reviewed by the auditors of Bentley Park, Ultimate Finance and/or Time Finance. By their nature, these forward-looking statements involve known and unknown risks and uncertainties because they relate to events and depend on circumstances that will or may occur in the future. The factors described in the context of such forward-looking statements in this announcement may cause the actual results, performance or achievements of any such person, or industry results and developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. Although it is believed that the expectations reflected in such forward-looking statements are reasonable, none of Bentley Park, Ultimate Finance and/or Time Finance can give any assurance that such expectations will prove to have been correct and persons reading this announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this announcement. None of Bentley Park, Ultimate Finance and/or Time Finance or their respective associates, members, directors, officers, employees, advisers or any person acting on behalf of one or more of them, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur.

Except as required by the FCA, the London Stock Exchange, the Part VI Rules or any other applicable law and/or regulation, none of Bentley Park, Ultimate Finance and/or Time Finance or their respective associates, members, directors, officers, employees, advisers or any person acting on behalf of one or more of them, has any intention or accepts any obligation to update publicly or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent legally required. All subsequent oral or written forward-looking statements attributable to Bentley Park, Ultimate Finance and/or Time Finance or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statement above.

Profit forecasts, estimates and quantified financial benefit statements

The Time Finance Profit Estimates are profit estimates for the purposes of Rule 28 of the Code. The Time Finance Profit Estimates and the Time Finance Directors' confirmation, as required by Rule 28.1 of the Code, are set out in paragraph 7 and Appendix 3 to this announcement.

Other than in respect of the Time Finance Profit Estimates, no statement in this announcement is intended as a profit forecast, profit estimate or quantified financial benefit statement for, or in respect of, Bentley Park or Time Finance for any period and no statement in this announcement should be interpreted to mean that cash flow from operations, earnings, or earnings per share or income of those persons (where relevant) for the current or future financial years would necessarily match or exceed the historical published cash flow from operations, earnings, earnings per share or income of those persons (as appropriate).

For the purposes of Rule 28 of the Code, the Time Finance Profit Estimates contained in this announcement are the responsibility of Time Finance and the Time Finance Directors.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Right to switch to a Takeover Offer

Bentley Park reserves the right to elect, with the consent of the Panel and subject to the terms of the Co-operation Agreement, to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. If the Acquisition is effected by way of a Takeover Offer, and such offer becomes or is declared unconditional and sufficient acceptances are received, Bentley Park intends to exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act so as to acquire compulsorily the remaining Time Finance Shares in respect of which the Takeover Offer has not been accepted.

Part B

Certain further terms of the Acquisition and the Scheme

1. The Acquisition will be subject to the satisfaction (or waiver, if capable of waiver) of the Conditions in Part A above, and to certain further terms set out in this Part B, and to the full terms and conditions which will be set out in the Scheme Document.
2. Subject to the requirements of the Panel or the Court, Bentley Park reserves the right to waive, in whole or in part, all or any of the Conditions in Part A above, except for Conditions 1, 2(a)(i), 2(b)(i), 2(c)(i) and 2(c)(iii) which cannot be waived.
3. The deadlines in any of Conditions 2(a)(ii), 2(b)(ii) and 2(c)(ii) may be extended to such later date as may be agreed in writing by Bentley Park and Time Finance (with the consent of the Panel and/or approval of the Court, if required). If any of Conditions 2(a)(ii), 2(b)(ii) or 2(c)(ii) are not satisfied by the deadline specified in the relevant Condition, Bentley Park shall make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked the relevant Condition, waived the relevant deadline or agreed with Time Finance to extend the relevant deadline. Conditions 2(a), 2(b) and 3(a) to 3(i) (inclusive) must be fulfilled, or (if capable of waiver) waived, by no later than 11.59 p.m. on the date immediately preceding the date of the Court Hearing. The Acquisition will lapse if it does not become Effective by 11.59 p.m. on the Long Stop Date.

4. Bentley Park shall be under no obligation to waive (if capable of waiver) or treat as satisfied any of the Conditions by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions to the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
5. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
6. Subject to paragraph 7 below, under Rule 13.5(a) of the Code, Bentley Park may only invoke a Condition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Bentley Park in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.
7. The Conditions set out in paragraphs 1, 2(a)(i), 2(b)(i), 2(c)(i) and 2(c)(iii) of Part A of this Appendix 1 (and any Takeover Offer acceptance condition adopted on the basis specified in paragraph 15 of this Part B of this Appendix 1) will not be subject to Rule 13.5(a) of the Code.
8. Any Condition that is subject to Rule 13.5(a) of the Code may be waived by Bentley Park.
9. If Bentley Park is required by the Panel to make an offer for Time Finance Shares under the provisions of Rule 9 of the Code, Bentley Park may make such alterations to any of the above Conditions and terms of the Acquisition as are necessary to comply with the provisions of that Rule.
10. Scheme Shares will be acquired by Bentley Park under the Acquisition fully paid and free from all liens, equitable interests, charges, encumbrances, options, rights of pre-emption and any other third party rights or interests whatsoever and together with all rights existing at the date of this announcement or thereafter attaching or accruing thereto, including (without limitation) voting rights and the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital or value (whether by way of reduction of share capital or share premium account or otherwise) made on or after the date of this announcement, other than any dividend, distribution and/or other return of capital or value in respect of which Bentley Park exercises its right under the terms of the Acquisition to reduce the Offer Price.
11. Without prejudice to any right Bentley Park may have, with the consent of the Panel, to invoke Condition 3(f)(ii), if, on or after the date of this announcement and prior to the Acquisition becoming Effective, any dividend and/or other distribution and/or other return of capital or value is announced, declared, made or paid or becomes payable by Time Finance in respect of the Time Finance Shares (in each case with a record date prior to the Effective Date), Bentley Park reserves the right to reduce the Offer Price payable in respect of each Time Finance Share by an amount equal to the amount of such dividend, distribution and/or return of capital or value (provided that, to the extent that such dividend, other distribution or other return of capital or value is cancelled, the consideration shall not be subject to change). If Bentley Park exercises this right to reduce the consideration, any reference in this announcement to the Offer Price will automatically be deemed to be a reference to the consideration as so reduced. In such circumstances, Time Finance Shareholders will be entitled to receive and retain any such dividend, distribution and/or return of capital or value. Any reduction in the Offer Price pursuant to this paragraph shall not be regarded as constituting any revision or variation of the terms of the Acquisition or the Scheme.
12. No amounts of cash of less than one penny will be paid to any Time Finance Shareholder pursuant to the Acquisition and the aggregate amount of cash to which a Time Finance Shareholder will be entitled under the Acquisition will be rounded down to the nearest penny.
13. The availability of the Acquisition to persons resident in, or citizens of, or otherwise subject to, jurisdictions outside the United Kingdom may be affected by the laws of the relevant jurisdictions. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction.

Time Finance Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

14. Unless otherwise determined by Bentley Park or required by the Code, the Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or any means of instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of, any Restricted Jurisdiction and shall not be capable of acceptance by any such use, means, instrumentality or facility or from within any Restricted Jurisdiction.
15. Bentley Park reserves the right to elect to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme, subject to obtaining the consent of the Panel and to the terms of the Co-operation Agreement. In such event, such Takeover Offer will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments for an acquisition being made by way of a Takeover Offer including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of the Time Finance Shares to which the Takeover Offer relates (or such lesser percentage as may be determined by Bentley Park after consultation with the Panel (if necessary), being in any case more than 50 per cent. of the voting rights normally exercisable at a general meeting of Time Finance, including, for this purpose, any such voting rights attaching to Time Finance Shares that are issued before such acceptance condition is satisfied, whether pursuant to the exercise of conversion or subscription rights or otherwise). Further, if sufficient acceptances of the Takeover Offer are received and/or sufficient Time Finance Shares are otherwise acquired, it is the intention of Bentley Park to apply the provisions of the Companies Act to compulsorily acquire any outstanding Time Finance Shares to which the Takeover Offer relates.
